## Inviting Your Players to Register

### Team Contact Guide

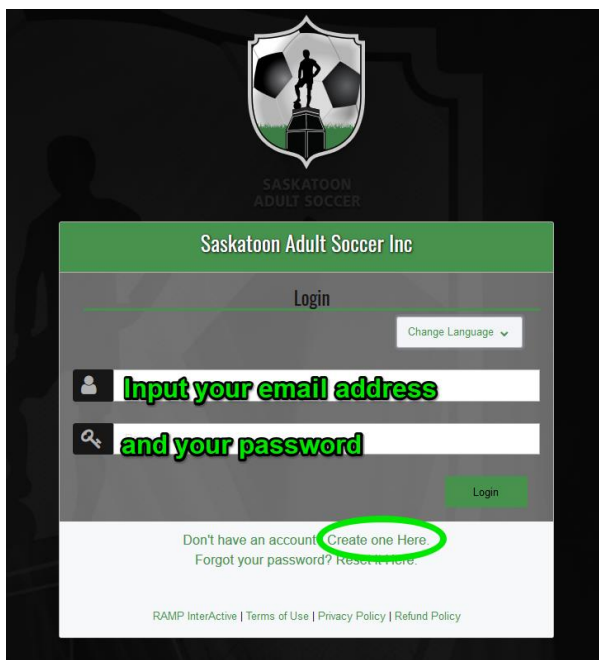

Please go to the Registration Login heading on our website.

Click on the link.

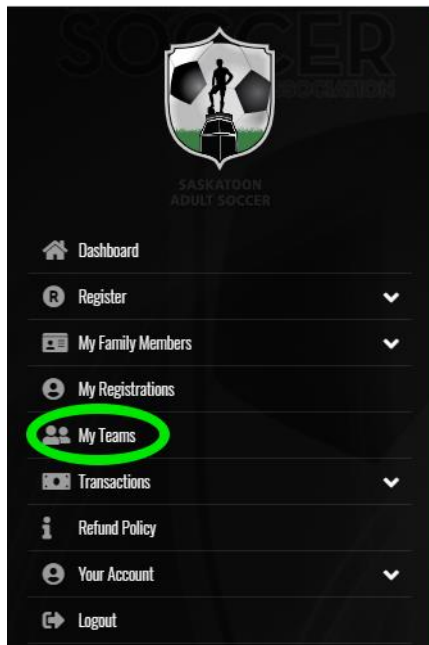

You will be directed to RAMP's registration page:

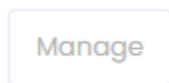

Follow the prompts regarding your password.

We do not have this information for privacy matters. If you forgot your password, please click on "Reset it Here" to the right of "Forgot your password?".

Click on My Teams.

Click on Manage under your team's name.

Click, again, on Manage in line with your team's current season.

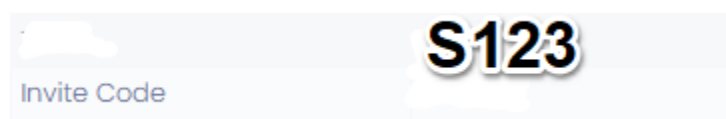

There are different ways you can provide to your players for them to register. Either sharing codes/links or inviting them through RAMP.

### Invitation by Sharing Code or Link

We recommend sharing your Team Code.

You can share the Team Invite Code or Link through chats, texts, or personal email by either option:

1. Give the Team/Invite Code to your players

2. Give the Link to your players.

Invite Code

[http://SaskatoonAdultSoccerInc.rampregistrations.com?<](http://SaskatoonAdultSoccerInc.rampregistrations.com?)

The system won't send invites to email addresses that have already registered on your team

Note: Sharing the link is best for players that have already played on your team and registered with RAMP.

For new players, share the team code. Only those previously registered in the league will benefit from the link. Otherwise, for new players, it does not take you directly to your team's registration.

### Invitation to Register Through RAMP

By scrolling down, you can also enter in your team's email addresses and send the invitation through RAMP.
